BECOME A VISION 2025 PARTNER TODAY!

Over the past few years, the support of ByFaith Partners has been the catalyst for the forward movement in the Church of God by Faith and the fulfillment of most Vision 2020 goals. While there is still more to be done, the Presiding Bishop and Council of Elders are clear that this is the time the Church must move forward and focus on the broader mission identified in Vision 2025. Thus, we are asking all current partners to continue your support, and invite others to come aboard and to be a part of his next move with a commitment as a new Vision 2025 Partner.

DEVELOP

Transformational Churches

A growing number of Americans claim no commitment to a faith-community. It is no secret that the church has lost its place in the culture. Therefore, we must rediscover the “Ekklesia” and rethink how we do church.

Your Vision 2025 Partnership will help us focus on developing vibrant post-pandemic churches; providing strategies and assessments for success. We have teams working on new strategies to assist every ByFaith Ministry to make a great impact in the communities we serve.

CULTIVATE

A Generation of Dreamers

Many of our children face what a UCLA study called “the Accumulation of Disadvantage,” which includes academic disparities, health as well as environmental disadvantages, and financial insecurities.

Vision 2025 Partners support our goals to raise a “Generation of Dreamers,” where every child knows who God is, obtains a quality education, has an opportunity for higher-learning, are taught to be good stewards of “their money,” and other God-given gifts.

Church Benefit Services

Church of God by Faith is committed to offering benefit programs to those who serve in ministry so they are prepared for whatever life brings. In addition to our retirement benefits, we will work to offer group health insurance, life, and long-term disability coverage, and other well-being programs.

During Vision 2020, some new benefits were introduced. With your Vision 2025 Partnerships, we can fulfill this goal.
