

VISION 2025 PARTNER

100% of your Vision 2025 Partnerships have been designated for the support and fulfillment of the five broad goals of Vision 2025 which includes: Developing Transformational Churches, Cultivating a Generation of Dreamers, Expanding Church Benefit Services, and Establishing a COGBF New Church Ministry program. This goal includes hiring a full-time employee to manage the planting of 50 new churches and to provide financial support for ministers who are willing to relocate for this expansion. Our vision also includes building a new COGBF Ministry Complex and to retire the Ocala Temple debt while continuing to strengthen the Burial League.

DEVELOP

TRANSFORMATIONAL CHURCHES

Vision 2025 Partners will help to develop vibrant post-pandemic churches, providing strategies and assessments for success.

CULTIVATE

GENERATION OF DREAMERS

This goal is to help children learn who God is and obtain a quality education. They are taught to be good stewards of "their money," and other God-given gifts.

EXPAND

CHURCH BENEFIT SERVICES

We are committed to providing new benefit programs to those who serve in ministry.

ESTABLISH

COGBF NEW CHURCH MINISTRY PROGRAM

Vision 2025 Partners will help fund the hiring of a full-time employee who is tasked to teach, equip, assist, and multiply leaders for 50 new churches.
