

## CHURCH ASSESSMENT TOOL

Provide your most honest answer to the following questions as an assessment of your local church's transformational temperature. The answer choices are as follows:

Moderately Agree

Agree

Strongly Agree

Moderately Disagree

Disagree

Strongly Disagree

1. The activities of our church are designed to relate to the type of people who live in our city or community.
2. Our congregation cares deeply about the people in our city or community.
3. Our church members are frequently reminded about the unique opportunities to impact those who live in the city or community surrounding the church.
4. Our local city or community benefits in tangible ways because we exist as a church.
5. Our leadership senses a call to our local city or community and not just our church.
6. Our church views itself as existing for the sake of those in our local city or community.
7. Our church believes that God has strategically placed us in our culture (in our location to serve those around us.)
8. Our church believes that as the culture around us changes, new opportunities to engage people outside must be considered.
9. Our members are keenly aware of the vision of the church.
10. Our leaders are captured by the vision and are leading the people toward it.
11. While people may have different preferences, the vision God has given our church overshadows the different preferences.
12. There is a culture of inviting at our church, where people are constantly invited by others to get connected on a deeper level.

13. When people visit our church, there is a plan in place to ensure multiple people greet them.
14. Moments of spontaneous prayer in worship services, groups, or classes are normal within the life of our church.
15. The majority of the people in our worship services actively participate.
16. In our church, new members are immediately taught the importance of living in a community with other Christians.
17. When people are plugged into a small group at our church, they are ministered to and well cared for.
18. Our church helps people understand their spiritual gifts.
19. Every believer is considered a minister and expected to serve in a ministry at our church.
20. We celebrate and highlight volunteers who serve.
21. Our church challenges members to build significant relationships with non-Christian people.
22. Our church intentionally provides service opportunities for our people to be engaged with the unchurched in our local city or community.
23. Our church has earned a good reputation among city leaders by meeting needs.
24. In our church, we believe that relationships with unchurched people are critical to the mission of advancing the Gospel,
25. Our church's members understand the importance and are eager to share their faith stories with anyone.

## PERSONAL ASSESSMENT TOOL
